Preface

The wings of words are inspirations gotten by the insertion of my mind into the revelation that probe my curiosity in the book of Ezekiel 1. The wings of the wheel flying connected with the power in the words gave Ezekiel to eat. The power Holy Spirit is the source of my inspiration. He ministers words and divine imaginations to my soul. This poetry collection centers on Inspiration - Spirituality - Love - Society - Appreciation.

Words can fly with multiple wings to various destinations. It can be multiplied to tickle your intellectual potency and make you think deeper and search into the essence of things. Wings of Words is full of imagination, dramatic pictures, emotional admonition, inspirational effect, spirituality, mystery, anger against cursed men and appreciation of true men.

Wings of Words has all the elements for every part to function normally or arouse to its state of performance.

To the Holy Spirit, the needy and poor,
and all those that need encouragement in
the face of adversity.

HEVENLY PRAISE

I traveled through the boundary of Trance
Flexible wings took me high above the sky
The zone of time has been broken like
The wall of Jericho.

I stare through the flying cloud
I saw the front brightness;
My Igwe was riding on wings of cloud
Soaring than eagle on the wings' wind

The dazzling brightness surrounded Him
Was like Ezekiel 1 vs 27 described it
I try to look for Ezekiel for better explanation
But he was not there.

Suddenly, a thundering echo voice struck
My ear drum. His voice came with hail stone and lighting
“Bring me the sea of class” He said.
I expected Ezekiel to appear,
Ezekiel appeared not. I was terrified,

When the glowing wheels
With their numerous eyes
Appeared. I saw the four faces
Of the creatures bowing down
As they presented the crystal glass
At the middle of the sky

I watched with fear!
My memory flashed back to Ezekiel 1&2
Instantly, seven colored matched together
Shut above the middle sky, from the sea of glass

Like the brighten rainbow in the cloud
I begin to see picture in their colors
Like the picture of Samsung Television
I saw in the matched colors:

“The bounding of time has been broken
Your time shall come to be fulfilled
As you set plan! You fulfil time.”

I saw in the flashing rainbow:
Speedy of conceptualization,
Its manifestation has come,
Manifestation of your conceptualization
Manifestation of your time
Manifestation of desires
Manifestations of Explosion
Manifestation of fulfillment”

I saw in the glowing rainbow:
Barrenness, become fruitfulness
Dedication of cars and houses
Rain of blossom blessings
Many pages of songs of Testimonies”.

As I gazed into the flashes
Of seven colors:
My eyes weep like a crying baby

It was cry...it was cry of Joy
I bowed as I heard the echo voice of Igwe
"Son of Man,
Pass across what you have seen
To my people, as you cross over
To another calendar month."

Your set time has come!
As I bowed, I realized the goodness of Igwe
"The highest Igwe" Igwe of all Igwe
His goodness in our lives. So I wish to dance.
I immediately commanded the Hall of praise
To come over, so I can praise
So we can dance, the Ark dancing,
"The David Ark Dancing"
I was filled with the most high spirit!
I commanded all the Angels
To gather, Gabriel was on the piano
Michel was the choir master
David took the harp
Enoch was on the drum
The living creatures are set to dance
24 crowns has been laid down, elders
Are read to praise
I commanded seven Angels
As my back up.
My legs are ready to dance
My mouth was full of praise
Singing___ Igwe.

FORCE THE WILL TO WHEEL

An intangible power of endless galaxies
An inseparable mystery
An endless journey of indefinable infinity
Through the starry stars

Shooting above the shooting stars
Over passing the North Pole stars
Through the endless passages
Of the cosmos

Even better the glory differ from glory of the wheel power
The mysterious wheel glides through the sky in weariness
Feeble like a paralyze legs, lacking power
To soar like an eagle, soaring through the sky

Like a snake slithers on a rock, force the will
Like a sheep navigates the ocean, force the will
Like a man loves a woman with passion, force the will
You imbibe indolence till it becomes a barren rock,
Enforce the will to wheel

It has become a barren womb, forever unfruitful
Synonymous a barren desert that ever lack springs
Blazing barrenness instead of fine fruitfulness
Force the will to wheel till it will to desire willingness
Enforce your will to force the will to wheel your will

THE MIGHTIEST OAK- LION OF FIRE

Kudos to Elyon's mercy, by His grace
The tiny acorn becomes mighty oak.
Loose its hold from Sabbath abode,
Drops on fertile ground, buried,
After millions of dead, burning
And forgotten, resurrected anew,
Speedy sprout of saintly seed.

Seed seek shielded fire
Seed sink into fire
Seed's kin is Alpha
Saintly seed buried with fire

His spreading boughs,
Sprig to saves all
Caged destined by fire.
By destiny's repairer
Identities of this oak's species are;
By fire, by thunder, by fire fall down; and die.
Elijah type of fire
His shield mixed with tannins against
All spellbound.

Lion of fire, child
Of Lion of Judea
Integral part of Eloheeka
You are His true child.

He becomes majestic oak, mightiest
In fire, finest in fervent fire, fire
Preserved thousands of unborn generation
This giant of oak is unshakeable tree, sprang
From sacred acorn, height of 40 meters
Massive trunks, commission to crush all
Dark power in high places, dauntless assignment

This oak is of chief cornerstone in bulk
This giant of Elyon's power is rock
This mightiest Oak Timber' is bulky
And heavy

This mighty oak took his root, within
Elyon's Seven Touches. All attack..., all
Attempt, testing Elyon's power in this
Sinless oak backfire after attempt
All enemies of yours are God's enemies
All God enemies shall perish in pool of fire
Youth's track is repositioning thank you sir.

Your strength is heavenly grace
Your value is world wide
Your famous is heavenly wide
Your divine endurance made our credence

Glory be to God for his abundant grace

Amen.

HOUSING DEPRESSION

Thick darkness, deepen
With his body's house, sunken

Slam his house –mind, smash
His house –top, leak, bleeding black

Terrestrial birds nest on his roof-top
Poi-poi on it, his doldrums dress up dolor

His house –window waned down
And his door – house remained close-down

His depression needs to press not
With passion

But he needs to move on passionately
With motion

He may be out...he must move on

HOUSING DEPRESSION 2

Look at you! Your bone
Pour out from your body, outburst

Replaces with ropes of death
Tangled around you destruction torrents
You and hope of grave beckons on you.
